Party Plans Reach Final Stage

Chairman Paul Calderhead announces that tonight, Wednesday, May 1, will be the last General Meeting for the "All Night Graduation Party." All parents of senior students are urged to attend this meeting which will start at 7:30 p.m. in Room 1 of the High School Annex.

Reports of interest will be made by all committee chairmen of their efforts and progress to insure a memorable night of fun for the graduating seniors. Details will also be given of the "Open House and Preview" to be held for parents of seniors prior to the night of the party.

The party, which has been an annual event in Albany since 1955, will be held in the Marine Room of the Golden Gate Turf Club on Thursday evening, June 13, from 10 p.m. until 6 a.m. the following morning. There will be dancing until 3 a.m. to the inimitable strains of Ben Meltzer's orchestra, popular entertainment during orchestra breaks and continuous games with intriguing prizes in the game room. A tempting buffet will be available during the evening, followed by a pre-dawn breakfast. Also, a photographer will be on hand to take pictures of all seniors.

Committee chairmen wish to express sincere appreciation to the many friends, Albany merchants and Albany Police and Fire Departments for their cooperation and assistance with party plans. Appreciation is also extended to the parents of junior students who have volunteered their assistance while parents of the seniors are attending the graduation ceremonies.

A full turn out for tonight's meeting can assure a more successful party.

'Culley Mixed Up' Says Tobin

A spokesman for the Albany Homeowners and Taxpayers Assn. offered rebuttal to the claim of former president of the organization, William W. Culley, who resigned as president because the group "refuses to recognize the incumbent necessity of being governed by some form of parliamentary law." Culley added that a clique gained control of the meeting.

"Culley is all mixed up," Clement J. Tobin declared. "The original vote in favor of sending out ballots was 17 to 3. A second vote was 23 to 4. How can the majority be called a clique? There is no clique but Culley and his wife."

Tobin said that Mrs. Culley was instrumental in calling a special session for the second vote on the ballot proposal. Ballots asking the members' views on the \$995,000 school construction proposal due to go before the voters May 28 are in the hands of the group's 75 members at the present time.

The association voted to send out the ballots in an effort to determine how all members felt about the issue. H. F. Call, a director of the organization, stated. Ballots will be returned to the association before May 1. "Our parliamentary rule ruled that the ballot was not in violation of the by-laws," Tobin said. "The vote on the ballot would show that there is harmony in our organization." Tobin added that a number of the members were prepared to ask for Culley's resignation when he quit.

PARADE OPENS BASEBALL SEASON

"TAKE ME OUT TO THE BALL GAME" will be the spirit engendered as the Weldonian Band leads the way down Solano and out to the ball park for the openers of the 1963 Little League series. Participating in the parade will be Craig

Bell and Mike Liserra on drums; Donna Campbell, majorette; Mayor Joseph Egenberger, Jr., who will officially open the season; Sharon Dias, majorette; and Neil Hjelmerirk behind the tuba.

Albany will have its loudest parade ever when the Albany Little League and other groups join together May fourth to celebrate the league's opening day. The famous Weldonian Band, 200 strong, will compete with Albany fire department equipment and its siren to let the citizens of Albany know the presence of the league.

Starting at Ventura and Solano Aves. at 10:00 a.m., the parade will go west on Solano to San Pablo Avenues, then south to Monroe and on to the Little League field at University Village.

Each Little Leaguer will march with his team. A color guard will be provided by the American Legion Post 292 and Boy Scout Troop 12 will be the honor guard.

City dignitaries Mayor Joseph Egenberger, Councilman Lewis Howell, Joel Parker, Joe Carlevaro and George Hein, Chief of Police Ralph Jensen, Assistant Fire Chief William Hutt, Director of Recreation Emile Rooney, park and recreation commissioners Clayton Berling, Charles Graeber, William Culley, Eugene Blank and Del Wisenor, will have transportation through the courtesy of Jim Woulfe Ford, East Bay Chevrolet and Berkeley Lee Volkswagon. Lorrene Baum, Maid of Albany, will have transportation provided for her by Frank Corey.

One of the most colorful divisions of the parade will be the ever popular customized and antique cars provided through Mack's Auto Repair.

The cars and their drivers are as follows: Mike Delucchi, 1906 Cadillac; Robert Williams, 1910 Buick; D. V. McCauley, 1915 Ford; William Ortmann, 1913 Cole; Earl Harris, 1913 Ford; Doug McCauley, 1950 Studebaker custom pick-up (winner at the 1960 Custom Car Show in Oakland and recently featured in Hot Rod magazine, Ben Check, 1958 Ford Ranchero; Leonard Holliday, 1953 Ford convertible; Richard Stephenson, 1949 Desoto and Bruce Smith, 1958 Pontiac. Coordinators of the parade appointed by Del Wisenor, presi-

dent of the league and Dorothy McCain, Mike Delucchi and D. V. McCauley.

Following the parade, opening services at the Little League field will begin with the National Anthem. Curt Pihl, member of the Braves team will then recite the Little League pledge and Mayor Egenberger will toss the first ball of the season to start the 11:00 a.m. game between the Pirates and the Cards.

Hot dogs, soda pop, coffee, candy and other treats will be served at the refreshment booth which will be open all day. Souvenir programs will also be available.

Adults who have not yet purchased their booster tickets may do so from any Little League that day. There is never an admission to any Little League game.

The game at 1:00 p.m. will be between the Giants and the Dodgers.

Bill Culley Resigns From AHTA

William W. Culley, Jr., has resigned as president of the Albany Homeowners and Taxpayers Association.

He submitted the following letter of resignation: "The Albany Homeowners and Taxpayers Association, a deliberative organization, refuses to recognize the incumbent necessity of being governed by some form of parliamentary law. It therefore, cannot expect recognition from the City Council, City Commissioners, or other assemblies so guided. In good conscience, I no longer can continue as president. This date, therefore, I tender my resignation as president of the Albany Homeowners and Taxpayers Association."

Further elaborating upon his resignation, Mr. Culley stated: "The clique gained control of the meeting and insisted upon soliciting a vote by mail on the school bond issue. This would give the clique the advantage of garnering the votes of people unable to hear all sides of the issue. This, of course, was contrary to our Constitution and By-laws. As chairman I so ruled. But the body refused to be guided by its own rules."

"I am opposed to the School Bonds. This is also, without doubt, the position of the clique and the general feelings of the association. But as a matter of principle, I refuse to be a party to the marshaling of the Association resources against the School Bonds through means contrary to our own constitution and the elementary requirements of a fair hearing."

"I should like to see a truly representative democratic homeowners' association in Albany. One all homeowners could join. While I have always had misgivings about the selective membership practices of this organization, I did not realize all its anti-democratic implications. Now I see that a small clique can and does exclude all homeowners with whom it disagrees, and then runs roughshod over its constitution. All this while claiming to speak for all Albany homeowners."

"Many fine people belong to the Albany Homeowners and Taxpayers Association. It has been a gratifying experience to work with them. I know they will understand and appreciate my reasons for resigning even though some of them may not agree with me."

ALBANY CHAPTER O. E. S. invites its members and guests to attend a party at the next meeting on May 3, 8 p.m. at 533 San Pablo Ave., Albany. Worthy Matron Blanche Nelson and Worthy Patron Harold Chubbuck will be the hostess and host.

APPOINTEES CONFIRMED, INTRODUCED

Mrs. Eleanor L. Miller, 909 Taylor Street, was appointed to the Library Board by Vice-mayor Lewis Howell at the Albany City Council meeting Monday night, April 29.

City Attorney Larry D. Saler was instructed to draw up a Resolution of the appointment. Mrs. Miller is a former appointee of the Traffic and Safety Commission and at present, is the secretary of CRIT.

Other business culminated during the brief Council session in a quorum.

Authorization to the Mayor to proclaim the month of May as "Seat Belt Month." In conjunction with this, the Traffic and Safety Commission and the Albany Junior Chamber of Commerce will cooperate on a safety program "Safety Habits" to be held May 23 followed by seat belt clinics where Albany citizens can have seat belts installed at a minimum cost.

Acceptance of the recommendation of Ralph M. Jensen, Chief of Police, for the employment of Louis Dupin as relief school crossing guard.

Plan for a work session with Walter Smith of ABAG before budget sessions.

Adoption of Resolution No. 63-27 commending Mrs. Jeanne Samuelson for her services as Senior Citizens Director and accepting her resignation.

Adoption of Resolution No. 63-28, accepting the resignation of Horace N. Faulkner from the Planning and Zoning Commission and commending him for services.

Adoption of Resolution No. 63-29 confirming appointment of Arthur L. Longpre as member of Planning and Zoning Commission. Appointment introduced by Councilman George Hein.

The opinion of City Attorney Larry D. Saler over the question of conflict of interest was read, quoting from the ordinance passed in 1962 to the effect that direct or personal interest in an area under consideration would result in non-participation in discussion or vote in the action. Copies of the City Attorney's opinion are to be sent to present members and incoming members of the Planning and Zoning Commission.

Future Insurance School Bond Issue

By MRS. MARY WALLMANN

Last year I was a member of the School Advisory Committee formed to study the condition of the buildings at Albany High School. As a member of this Committee I was asked to see the buildings in question and study the reports of the consulting engineers and architects. Frankly, I was appalled at the conditions of the Annex building and consider that it presents a danger from both earthquake and fire. Due to its wooden construction, antiquated wiring and poor exit facilities the fire hazard seemed particularly severe. Many people do not realize that it is not practical to patch up and repair the Annex and install a sprinkler system because the State Building inspectors would not approve such work unless all aspects of the building were made to conform to the Field Act (Earthquake law) and this would be more costly than constructing a new building.

In addition to the safety factor we should also consider the educational efficiency of the existing plant. With the exception of the gym and swimming pool no major work has been done at the High School since it was built. Since the war many new advances in the methods of teaching languages, science, and

mathematics have been made. The present buildings are equipped to handle only some of these new methods. We need to be concerned only with the college preparation students but especially those students in business vocational courses. All day require a higher technical training and for the buildings which are available if the bond issue make provision for such improved training. As a graduate of the School system, I am grateful for the well-balanced education I received. I feel that by School Bond May 2, 1963, the thousands of Albany will insure a good education for their children.

THE ANNUAL WASC LUNCHEON will be held on May 7, 1963 at the Community Methodist Church. The luncheon starts at 12:30 p.m. Tickets will be \$1.25. Reservations may be obtained by calling General Chairman Mrs. Miller at LA 5-4808. There will be a featured program and care will be provided.

Archery Shop Opens in Albany

A new store is opening this week in Albany devoted to the popular recreational activity, archery. Situated at 1407 Solano Avenue, called the Bow Rack, the unusual shop will specialize in archery equipment.

The owners, Norm and Pat Mallonee, have had eight years experience shooting in competitions. Norm is the president of the Richmond Roving Archers, Pat is the secretary.

Among the numerous trophies Norm has been awarded are the Men's Perpetual from Richmond, Black Mountain Bowman, So-Ea-Ba Treak, American River Archers and the cup for the East Bay Winter League '62.

Pat has garnered a good display also. Among others, she has the Diablo Club Open Trophy, So-Ea-Ba Treak, M.P.A. Trophy and the Modesto Yohi Club Trophy.

The Mallonees live in Berkeley with their three children, Dennis, 13, Candy, 10, and Dean 8. Dennis is an archery buff, too. To date, he has won an even dozen trophies.

Albany is invited to drop in and meet the Mallonees.

Letter To Editor

Editor, The Times:

We are "closing the books" on this run of "Heavens To Betsy!" with a marvelous feeling of the accomplishments of a most successful venture.

Our audiences were tremendously generous with praise and applause for both the play and the performers. We were able to realize our financial goals with enough to spare that will start us out on our next production, which is now in the writing.

We estimate that both our runs of "Betsy" played to approximately 3,000 people! With the proceeds our sponsors were able to realize their charitable goals and we at Northbrae were able to 1) buy a curtain for our stage, 2) buy a spotlight, 3) purchase new vestments for both our Senior and Junior Choirs, 4) pay our production costs, and 5) earmark the balance for various future projects — one of which is our next production tentatively scheduled for March 1964.

We wish to extend our most sincere thanks and appreciation for the wonderful coverage we received by you in the Thousand Oaks Times. So many people commented on our publicity and how generously you featured us and our sponsors with stories and pictures. We are most grateful!

THANKS FOR WRITING!

Editor: The Times:
To clarify one or two points of error if I may in Mr. Culley's statements is the purpose of this letter.

1. Mr. Culley, Jr., states "The association is in disagreement with him as to what method to pursue in fighting the proposed school bond issue."

(a) The association has not taken a position for or against the school bond issue as yet. This will be determined by a complete vote from members of the association.

2. Mr. Culley's vague reference to parliamentary law is to say the least, somewhat baffling. He is co-author of the by-laws and the constitution which he is now condemning and could be a little

more specific. Or could he?

(a) Mr. Culley, Jr., as president was aware of the fact that speakers pro and con were scheduled for the association before the vote was to be taken.

(b) Which is more democratic? A vote by twenty (20) members present or a mailed ballot to each member of the organization who may have wanted to participate but found it impossible to attend a specific meeting for reasons beyond their control and unknown to us.

Too bad we can't remain children forever, and can quit whenever the going gets rough as Mr. Culley, Jr., who was outvoted by his members almost ten (10) to one (1).

Coming! Your new phone book with information about Nationwide Dialing

At the front of your new directory, you'll find important information about nationwide Direct Distance Dialing which comes to the East Bay May 4th. It tells how to dial direct to cities all over the country and shows examples of rates to some of these cities. It also lists the Area Codes you'll use. These introductory pages to your phone book are tailored to help you get the most from your telephone service.

Your new directory also has all-numeral phone numbers to help meet the need of the country's growing popula-
tion. With more than 80 million telephones in the U.S. today and millions more on the way, going to an all-numeral system will help keep up with this growth.

We've sent you a new number card for your telephone that shows your all-numeral number. If you have not received it, please call Repair Service and another will be sent right away.

The change to the new system will help us continue to bring you the best telephone service in the world.
